The New York State Breast Cancer Support and Education Network (NYSBCSEN) is the only statewide network of community-based, survivor-driven breast cancer organizations in New York. Collectively our member organizations reach over 100,000 New Yorkers each year with essential breast cancer support and education services. NYSBCSEN facilitates member organizations sharing programs and resources, inter-organization referrals for services, public policy updates, and a support and education system for those who are working each day in the fight against breast cancer.

ONGOING PROGRAMS AT OUR LONG ISLAND CANCER HELP & WELLNESS CENTER:

**MONTHLY SUPPORT GROUP** - Held on the 4th Wednesday of each month, 7 pm - 8:30 pm.

**YOGA**- Tuesday evenings. Reduces stress, fatigue, insomnia, eases pain and increases feeling of well-being. All classes incorporate music and imagery to create an environment of relaxation. The course will utilize gentle moving and breathing techniques, allowing participants to achieve a sense of control over their bodies.

**CREATIVE HEALING THRU ART** - Thursdays. Healing Through Art helps put the pieces together. Discover the therapeutic benefits of art-making. Enhance your personal wellness through creative self-expression and group dialogue. Support groups are essential to the emotional foundation of cancer survivors. Both patients and survivors are encouraged to attend to share their thoughts, feelings and concerns with others. In conjunction with the support group, the center offers free chair massage.

**REIKI** - Various times. Reiki is a holistic healing therapy whereby practitioners channel energy in a particular pattern to heal and harmonize individuals. Reiki focuses on wholeness and stimulates one's total natural healing process ~ physically, mentally and spiritually, thereby creating many beneficial effects that include relaxation and feelings of peace, security and wellbeing. Reiki reduces stress, fosters deep relaxation, destroys energy blockages and detoxifies the system. It also works in conjunction with all other medical or therapeutic techniques to relieve side effects and promote recovery.

**REFLEXOLOGY** - 1st Wednesday evening of each month. Reflexology is a gentle form of therapeutic treatment applied to the feet. Reflexology is considered to be a holistic healing technique that aims to treat the individual as a whole, in order to induce a state of balance and harmony in the body, mind and spirit, and therefore promote good health.

**CREATIVE WRITING** - 4th Wednesday of each month at 6 pm. Join us for another road to healing through the written word. Creative writing classes give survivors a "voice" once again. It allows one to get negative emotions out, write them down and distance themselves enough to examine how they really feel and gain perspective on issues.

**ZUMBA GOLD** - Monday evenings - Call to reserve a spot - This program improves balance, flexibility and cardiovascular strength. Zumba Gold is a beginner's level of aerobic dance and exercise. Enjoy rhythms such as Merengue, Salsa, Cumbia, Belly Dance and Cha Cha!

**STRENGTH FOR LIFE EXERCISE PROGRAM** - Monday evenings- Call to reserve a spot. Strength for Life, a non-profit organization, will be offering free exercise classes at our Center. This is a commitment of 8 weeks. The course is given by Debbie Hughes, a Certified Exercise Instructor. All equipment, including exercise balls, tubing and mats will be provided for each participant to use and keep at the conclusion.

**PO Box 927, BRENTWOOD NY 11717**

**631 273 9252 English 631 951 6908 Espanol**

Established in 1994, we are a 501(c)(3) organization and we have endeavored to meet the needs of our community through outreach at health fairs, churches, libraries, and the post office as well as other community events. The Brentwood / Bay Shore community is a virtual microcosm of the world whose cultural and economic diversity creates many special needs.

The necessity for education concerning health and especially breast health is paramount. The community contains a large number of Hispanic and Latino people who traditionally do not seek outside information regarding health matters. Many people in our community have a cultural barrier to speaking about health issues outside of the home. Our outreach programs and Spanish language support group helps to meet these needs. We have a Spanish language hotline and conduct a Spanish language support group the last Friday of every month. For information call 631.951.6908.

The Brentwood / Bay Shore Breast Cancer Coalition is dedicated to maintaining breast health using a grassroots approach to raise individual and community awareness by positive actions. We focus on the causes of breast cancer, the need for prevention, monitoring, informed treatment and accessibility of health care. To that end we endeavor to serve our community with support groups and assistance to survivors and their families who are under-insured or uninsured as well as assisting those who are unable to work during treatment by providing temporary assistance and support to pay for medical bills, assist with housing costs, utilities and provide food vouchers. Our purpose is to help bring support and needed relief from the stress of dealing with a positive diagnosis.

Our regular monthly board meetings are held in English the first Thursday of every month. Please call 631.273.9252 for further information.

### **CANCER ACTION NY**

**canceractionny.org ■ canceractionny@yahoo.com**

**P O Box 340, Colton, NY 13625**

**315-262-2456**

Eliminating the release of chemical carcinogens to the environment is the ultimate goal of Cancer Action NY. While we work to achieve this end, cancer can be prevented by educating the public in the avoidance of exposure to carcinogenic pollutants in our air, water and food.

People need to know the names of the carcinogenic substances and agents. People need to know where these chemicals and agents exist in the environment. People need to know how to avoid exposure. People need to know how to minimize or eliminate these carcinogenic substances and agents.

**HBCAC's Students and Scientists Environmental Research Scholarship Program** will sponsor six high school students from Huntington, Northport and South Huntington districts to intern in July to August at world renowned institutes, Stony Brook University, Fox Chase Cancer Ctr. and Brookhaven National Labs. Please visit website to keep up to date on student's research experiences <http://www.preventionisthecure.org/index.php/students-a-scientists>.

**Gift of Health & Inspiration** is an attractive tote bag filled with heartwarming gifts for women leaving Huntington Hospital and Memorial Sloan Kettering, Commack facility after surgery. Items like a personal journal, survivor handbook, yoga video, music cd, scented candle and lip balm are included to help uplift the spirits during a hard time.

### **NEWSLETTER MAGAZINE - "Take A Moment for Yourself,"**

focuses on all aspects of breast cancer at local, regional and national levels. This publication is complete with informative updates on legislation, health issues, resources and keeps the public abreast of HBCAC's community work.

Our "**LEND A HELPING HAND**" program provides support and assistance to Huntington residents undergoing treatment. Services such as medical transportation, house cleaning, emergency medical supplies and medication, and more, all free of charge to qualifying residents. The purpose is to help bring support and needed relief from the stress of dealing with a positive diagnosis.

**PREVENTION IS THE CURE** (PITC) a collaborative educational campaign brings focus on the causes of disease rather than ways of coping with it once diagnosed. PITC seeks to INCREASE public awareness of environmental links to disease; GAIN support for the Precautionary Principle, as it applies to public policy; URGE the public to demand more funding for environmental health research and ENCOURAGE a "better safe than sorry" attitude toward personal lifestyle.
