

NEW YORK STATE BREAST CANCER SUPPORT & EDUCATION NETWORK NOVEMBER 2016 EMAIL CALENDAR

www.nysbcscen.org

116 West 23rd Street, suite 500, NY, NY 10023

The New York State Breast Cancer Support and Education Network (NYSBCSEN) is the only statewide network of community-based, survivor-driven breast cancer organizations in New York. Collectively our member organizations reach over 100,000 New Yorkers each year with essential breast cancer support and education services. NYSBCSEN facilitates member organizations sharing programs and resources, inter-organization referrals for services, public policy updates, and a support and education system for those who are working each day in the fight against breast cancer.

The NYS Breast Cancer Network has launched a virtual library to provide important information to New Yorkers affected by breast cancer. This resource provides updated information about a wide range of topics including medical marijuana, the link between breast cancer and BPA, and the link between breast cancer and fracking. Please visit www.nysbcscen.org to find updated information on these important topics and more. If you are interested in a specific topic and would like to request information on that topic be included in the library, please email suggestions to info@nysbcscen.org. The NYSBCSEN is grateful to the NYS Assembly for their funding of this important new resource.

BREAST CANCER HELP, INC.

www.breastcancerhelpinc.org ■ breastcancerinc@optonline.net

32 Park Avenue, Bay Shore, NY 11706

General information: (631) 675-9003

Spanish hotline: (631) 473-3658

All programs are provided free of charge to survivors of any type of cancer.

ONGOING PROGRAMS AT OUR LONG ISLAND CANCER HELP & WELLNESS CENTER:

MONTHLY SUPPORT GROUP - Held on the 4th Wednesday of each month, 7 pm - 8:30 pm.

YOGA- Tuesday evenings. Reduces stress, fatigue, insomnia, eases pain and increases feeling of well-being. All classes incorporate music and imagery to create an environment of relaxation. The course will utilize gentle moving and breathing techniques, allowing participants to achieve a sense of control over their bodies.

CREATIVE HEALING THRU ART - Thursdays. Healing Through Art helps put the pieces together.

Discover the therapeutic benefits of art-making. Enhance your personal wellness through creative

self-expression and group dialogue. Support groups are essential to the emotional foundation of cancer survivors. Both patients and survivors are encouraged to attend to share their thoughts, feelings and concerns with others. In conjunction with the support group, the center offers free chair massage.

REIKI - Various times. Reiki is a holistic healing therapy whereby practitioners channel energy in a particular pattern to heal and harmonize individuals. Reiki focuses on wholeness and stimulates one's total natural healing process ~ physically, mentally and spiritually, thereby creating many beneficial effects that include relaxation and feelings of peace, security and wellbeing. Reiki reduces stress, fosters deep relaxation, destroys energy blockages and detoxifies the system. It also works in conjunction with all other medical or therapeutic techniques to relieve side effects and promote recovery.

REFLEXOLOGY - 1st Wednesday evening of each month. Reflexology is a gentle form of therapeutic treatment applied to the feet. Reflexology is considered to be a holistic healing technique that aims to treat the individual as a whole, in order to induce a state of balance and harmony in the body, mind and spirit, and therefore promote good health.

CREATIVE WRITING - 4th Wednesday of each month at 6 pm. Join us for another road to healing through the written word. Creative writing classes give survivors a "voice" once again. It allows one to get negative emotions out, write them down and distance themselves enough to examine how they really feel and gain perspective on issues.

ZUMBA GOLD - Monday evenings - Call to reserve a spot - This program improves balance, flexibility and cardiovascular strength. Zumba Gold is a beginner's level of aerobic dance and exercise. Enjoy rhythms such as Merengue, Salsa, Cumbia, Belly Dance and Cha Cha!

STRENGTH FOR LIFE EXERCISE PROGRAM - Monday evenings- Call to reserve a spot. Strength for Life, a non-profit organization, will be offering free exercise classes at our Center. This is a commitment of 8 weeks. The course is given by Debbie Hughes, a Certified Exercise Instructor. All equipment, including exercise balls, tubing and mats will be provided for each participant to use and keep at the conclusion.

BRENTWOOD / BAYSHORE BREAST CANCER COALITION

info@bbsbcc.org www.bbsbcc.org

PO Box 927, BRENTWOOD NY 11717

631 273 9252 English 631 951 6908 Espanol

Established in 1994, we are a 501(c)(3) organization and we have endeavored to meet the needs of our community through outreach at health fairs, churches, libraries, and the post office as well as other community events. The Brentwood / Bay Shore community is a virtual microcosm of the world whose cultural and economic diversity creates many special needs.

The necessity for education concerning health and especially breast health is paramount. The community contains a large number of Hispanic and Latino people who traditionally do not seek outside information regarding health matters. Many people in our community have a cultural barrier to speaking about health issues outside of the home. Our outreach programs and Spanish language support group helps to meet these needs. We have a Spanish language hotline and conduct a Spanish language support group the last Friday of every month. For information call 631.951.6908.

The Brentwood / Bay Shore Breast Cancer Coalition is dedicated to maintaining breast health using a grassroots approach to raise individual and community awareness by positive actions. We focus on the causes of breast cancer, the need for prevention, monitoring, informed treatment and accessibility of health care. To that end we endeavor to serve our community with support groups and assistance to survivors and their families who are under-insured or uninsured as well as assisting those who are unable to work during treatment by providing temporary assistance and support to pay for medical bills, assist with housing costs, utilities and provide food vouchers. Our purpose is to help bring support and needed relief from the stress of dealing with a positive diagnosis. Our regular monthly board meetings are held in English the first Thursday of every month. Please call 631.273.9252 for further information.

CANCER ACTION NY

canceractionny.org ■ canceractionny@yahoo.com

P O Box 340, Colton, NY 13625

315-262-2456

Eliminating the release of chemical carcinogens to the environment is the ultimate goal of Cancer Action NY. While we work to achieve this end, cancer can be prevented by educating the public in the avoidance of exposure to carcinogenic pollutants in our air, water and food.

People need to know the names of the carcinogenic substances and agents. People need to know where these chemicals and agents exist in the environment. People need to know how to avoid exposure. People need to know how to minimize or eliminate these carcinogenic substances and agents.

HUNTINGTON BREAST CANCER ACTION COALITION

www.hbcac.org ■ friends@hbcac.org

900 Walt Whitman Rd LL12, Melville NY 11747

631/547-1518

Quarterly eNEWSLETTER focusing on all aspects of breast cancer at local, regional and national levels. This publication is complete with informative updates on legislation regarding breast cancer and health issues, important community resources, and serves to keep the public abreast of HBCAC's activities.

Our "**LEND A HELPING HAND**" program provides support and assistance to Huntington residents undergoing treatment. Services such as medical transportation, house cleaning, emergency medical supplies and medication, and more, all free of charge to qualifying residents. The purpose is to help bring support and needed relief from the stress of dealing with a positive diagnosis.

PREVENTION IS THE CURE (PITC) is a collaborative educational campaign brings focus on the causes of disease rather than ways of coping with it once diagnosed. PITC seeks to INCREASE public awareness of environmental links to disease; GAIN support for the Precautionary Principle, as it applies to public policy; URGE the public to demand more funding for environmental health research and ENCOURAGE a "better safe than sorry" attitude toward personal lifestyle.

WHAT WE ARE DOING: HBCAC has been very busy this October! We have recently spoken at a variety of venues to spread the prevention message and are partnering with additional Long Island breast cancer community groups to better serve Long Island women. We have had the pleasure to work with the Town of Huntington Senior Center, Girl Scouts of Suffolk County, Madonna Heights, local school districts of the Huntington area, and more to deliver numerous presentations to diverse groups of people. Through partnership with the districts we will be joining in on the fun through new

committees and educational health outreaches, as well as continuing our pursuit to restore interest in Science, Technology, Engineering, Mathematics (S.T.E.M.). HBCAC is also proud to have launched our new Health and Communication Office Internship program and finished another round of opportunities for lab internships at Stony Brook University and the Icahn School of Medicine at Mount Sinai through our Students & Scientists Environmental Research Scholarship Program. Now our students are out in the community spreading environmental health messages! These programs focus on the importance of research and communication - translation and dissemination - in the scientific world. We are happy to have created these partnerships in our community, focusing on young students - the Guardians Of The Future- and are brainstorming new goals to better our neighbors!

ISLIP BREAST CANCER COALITION

301 East Main Street, Nash Bldg., Bay Shore, NY 11706
(631) 968-7424

LEND A HELPING HAND- A program that provides financial aid for services to assist breast cancer patients and their families with the demands of daily life while undergoing breast cancer treatments. Services include, but are not limited to: financial medical assistance, housecleaning, transportation, childcare, support groups, assistance obtaining wigs, prosthesis, lymphedema sleeves.

CAN SURVIVE - CARRY ON- An in-hospital and at home visitation program designed to provide support and resources to breast cancer patients. Volunteers meet with patients undergoing surgery at North Shore LIJ Southside Hospital and provide them with a tapestry bag filled with resource information and a variety of personal items to aid in their recuperative process.

COMMUNITY OUTREACH AND EDUCATION

- IBCC attends numerous community meetings and events where they provide both educational and informative breast cancer information to the community.

SUPPORT GROUP- Meets once a month at the Bay Shore Library. The group will allow the breast cancer client to express their feelings and concerns in a compassionate atmosphere, and give them coping skills for their healing journey. For more information, please contact our office at 631-968-7424 or email: ibcc@optonline.net

YSC New York City Face 2 Face Network for Young Women Support Group-- SecondMonday of every month- 6:30-8:00 pm EST at YSC's offices: 80 Broad St, Suite 1700 New York, NY

YSC's NYC F2F Network is a support/networking group for young women diagnosed with breast cancer, facilitated by Gabriela Hohn, Ph.D., a Licensed Clinical Psychologist in private practice and a young breast cancer survivor. Join us on the second Monday of each month as we address concerns specific to young survivors. Gain support from peers while sharing ways to cope with the emotional challenges of treatment and beyond. Whether you are newly diagnosed, in the middle of treatment or are several years out, you are welcome to attend just one group or participate regularly. F2F members meet regularly for social and wellness activities as well. If you are a young woman affected by breast cancer, YSC NYC wants you to know that you are not alone. We're here to help. To join the NYC F2F on meetup.com: <http://www.meetup.com/New-York-Young-Survival-Coalition-Face-2-Face-Networking/>

For questions or more information, contact YSC Northeast Regional Field Manager, Grace Foxton at gfoxt@youngsurvival.org

SurvivorLink Program for Young Women Affected by Breast Cancer

YSC's SurvivorLink program can match you with another young woman who has been through a similar experience. Trained volunteer peer contacts that are living with breast cancer are available for you to speak with via phone or email. To request a SurvivorLink match, please email resourcelink@youngsurvival.org or call (877) YSC-1011.
